

SUMMER 2024 CAMPER REGISTRATION

NEW FOR 2024: This summer we are moving to a drive-thru registration model. When you arrive at Cedar Crest to drop off your camper, you will move through check points in your car. At each check point you will drop off forms or supplies for your camper. Once you have moved through each check point, you will be able to move your camper into their cabin.

STEP 1:

You will need:

- Health Form
- Release Form
- Medicine in a bag labeled with camper name

IF YOUR FORMS ARE INCOMPLETE: You will be redirected to a place to park and complete your forms before moving through the rest of registration. We strongly encourage you to send in your forms before arriving at Cedar Crest.

STEP 2:

You will need:

- Mail labeled with camper name
- Snacks (optional) labeled with camper name

STEP 3:

You will need:

- Camper belongings for the week
- Money for the camp store

We are so grateful you have chosen to send your camper to Cedar Crest this summer! If you have any questions please contact our Program Director, Audrey Jordan, at audrey.jordan@twkumc.org.
